**Junior Engineering Technologist**

Full-time, permanent

**In Medicine Hat you'll find a place that's reinvented itself as an ideal, modern city that proudly honours its historic past. And here at the City of Medicine Hat, you'll have a part in shaping how people perceive, experience and enjoy the city - tomorrow and beyond.**

The City of Medicine Hat Gas Distribution System works every day to meet the energy needs of our 26,000 customers safely, reliably and affordably. We have an exciting opportunity for a Junior Engineering Technologist, who will work as part of a team responsible for the design and management of projects, as well as for performing technical assignments such as drafting, estimating and system modeling for our gas distribution system.

**Our ideal candidate**

- Has knowledge of the practices, procedures, materials and equipment used in the utility industry.
- Demonstrated ability to operate engineering graphics hardware and Microsoft and other software AutoCAD.
- Has demonstrated strong understanding of construction and project management principles and methodology.
- Ability to read architectural/engineering drawings and specifications.
- Strong communication skills in order to collaborate with project stakeholders.
- Resourceful, a problem-solver, takes initiative, and is a team player.

**Qualifications**

- Successful completion of a two (2) year engineering technology diploma from a recognized post-secondary institution with courses in Computer Aided Drafting & Design.
- Registered member of Alberta Society Engineering Technologists (ASET) within six months of taking on the position, and while in this position maintain registration as a Technician/Technologist in training (T.T.), Certified Technician (C. Tech), or Certified Engineering Technologist (C.E.T.).
- Must possess and maintain a valid Class 5 Alberta Vehicle Operator's License with a clean driving record.
- Directly related gas distribution work experience is preferred.
- An equivalent combination of management approved training, education and experience may be considered.

We thank all applicants; however only those selected for an interview will be contacted.
