

Become rooted in Valleyview. You, growing with us.

Department: Utility Services

Location: Beautiful Valleyview, AB

Position Type: Full-time

Closing Date: Until suitable candidate is found

WHY VALLEYVIEW?

Rooted in the Peace Country and proud of it, Valleyview is a vibrant northern Alberta community where opportunity and quality of life go hand in hand. We're small enough to feel like home and big enough to make a real difference. Whether you're building a career, raising a family, or seeking a place to belong - Valleyview is growing, and we want you to grow with us.

THE OPPORTUNITY

The Town of Valleyview is currently hiring for the role of **Gas Operator**. This is more than just a job - it's a chance to shape services, improve lives, and help strengthen the community you'll be proud to call your own.

As **Gas Operator** you'll play a key role in maintaining essential municipal natural gas infrastructure to ensure safe, reliable service for the community and in supporting community well-being by delivering responsive, high-quality utility services and promoting safety and environmental stewardship. You'll be part of a supportive team that values professionalism, collaboration, and innovation.

WHAT YOU'LL DO

You'll be responsible for:

System Operations	Operating the Town's natural gas system, including transmission lines, regulators, and meters, to ensure safe and reliable service.
Service Response & Maintenance	Responding to service requests, complaints, and emergencies, while performing inspections, repairs, and preventive maintenance as needed.
Staff & Safety Leadership	Supporting staff and contractors through training, supervision, and guidance, while ensuring compliance with safety standards and regulatory requirements.

And more! For a full overview of the role, see the detailed job description on our website:

WHAT YOU BRING

We're looking for someone with:

- Proven experience operating and maintaining municipal gas distribution and transmission systems
- Knowledge of asset management, municipal gas regulations, and safety standards
- Strong problem-solving, communication, and teamwork skills
- Gas Utilities Operator Certificate, Fusion Certificate, Emergency Management, H2S, WHMIS, First Aid, and a valid Driver's License

If you're passionate about making a difference and thrive in a team environment, we want to hear from you.

WHAT WE OFFER

- A competitive salary: up to \$87,439 per year
- Comprehensive benefits package and pension
- Training and development opportunities
- A collaborative and respectful work culture
- The chance to live and work in a beautiful, welcoming northern Alberta community
